

DOWNTOWN DISASTER RECOVERY WORK STATIONS

Any company that is leasing generator supported office space in The Tech Center will automatically gain the use of Disaster Recovery Work Stations free of charge for any department or division of their company in the event of a disaster.

The Tech Center
322 Fourth Avenue between Wood and
Smithfield Street on 4th Avenue

Don't Forget:

If you have your Disaster Recovery Work Stations in The Tech Center, you should also place your Data storage equipment in a cabinet in our Data Center for only \$650 per month. When disaster strikes, you have a direct connection from your seats to your data.
