## **PITTSBURGH DATA CENTER DID YOU KNOW?**

**AS AN E.V. BISHOFF COMPANY CLIENT  
WE CAN PROVIDE YOU WITH:**

- Space in our Data Center for your Server. Many companies are concerned about Disaster Recovery. As an E.V. Bishoff Company Client, you can place either your Primary Server or your Disaster Recovery Server in our Data Center. This not only gives you peace of mind, but also places your server in a clean and protected environment.
- Space in our Data Center to put your telephone system. One of the major problems facing a company during a blackout is the loss of telephone service. By placing your telephone system in our Data Center, it is protected in the event of an electrical blackout.
- An alternative work site to create a clean and simple way for you to ensure your Business Continuity in the event of a disaster. Many companies are now required to maintain Disaster Recovery Work Stations. You can lease your Disaster Recovery Work Stations for between \$30—\$80 per seat/per month .
