

Bandwidth Included Leasing Platform Now Offered to Businesses with Offices in Pittsburgh's Park, Investment and Diamond Buildings

E.V. Bishoff Company, Portfolio Operator, now offers bandwidth as part of their standard leasing package for businesses leasing offices in Pittsburgh's Park Building, Investment Building and Diamond Building.

Pittsburgh, PA ([PRWEB](#)) November 13, 2013 -- In conjunction with E.V. Bishoff Company's completion of their massive installation of its own building network wiring, they are now enhancing their [office leasing package](#) by offering bandwidth to businesses that locate their offices within Pittsburgh's Park Building, Investment Building and Diamond Building.

The standard office package will include one Mbps for every \$1,000 per month in rent that the client pays. Additional bandwidth can be procured for \$69 per Mbps. "This is not a "promotion" and it's not a "special". It's just a part of how we do business and what we believe is best for our clients."

"Think about it, if your company rents an office from EVBCO and the monthly rent is \$3,000.00, you get, included in your office package, three Mbps" said David Bishoff, President of E.V. Bishoff Company. "If your company is a large bandwidth user, and these days, what company is not, this greatly lessens the burden on the company and makes the procuring of bandwidth a non-issue. Since we own our own building network, we can literally turn someone up in 24 hours. I can guarantee you that your company's IT department will love this program as it makes their job that much easier."

The inclusion of bandwidth is just one service offered in conjunction with EVBCO's bevy of unparalleled office leasing services including, but not limited to;

- [Electronic reservation system](#) for 28 conference rooms that are in Cleveland, Columbus and Pittsburgh
- CCTV network
- [Support services](#)
- Advanced connectivity

The historic Park Building is located at 355 Fifth Avenue in the hub of the bustling downtown area. The 21-story Investment Building at 239 Fourth Avenue is in a prime location with superior restaurants, shops and art galleries as neighbors. At the corner of Fifth and Liberty Avenues sits the Diamond Building at 100 Fifth Avenue and is surrounded by retailers, restaurants and lodging.
