

E.V. Bishoff Company Provides Complimentary Bike Racks in Downtown Cleveland

Portfolio Operator, E.V. Bishoff Company, continues offering their clients with a bevy of unparalleled services and amenities and now is broadening their services to the public in the city of Cleveland with complimentary bicycle racks.

Cleveland, OH ([PRWEB](#)) July 02, 2013 -- As the warm weather officially settles in for the next few months, E.V. Bishoff Company has recently installed complimentary bicycle racks to support to large bicycle-commuting population in downtown Cleveland, Ohio. The racks can be found in the garage located on the corner of 12th and Hamilton, across the street from Erievue Tower and are free for the public to utilize.

"This time of year, people want to enjoy their time outdoors as much as they can. We have noticed more people walking, running and biking and thought that this was a great opportunity to extend our services with complimentary bicycle racks. Tourists, visitors, businesspeople and everyone in-between are more than welcome to use them," said David Bishoff, President of E.V. Bishoff Company.

The [portfolio operator](#) continuously works to create a distinction between "office space" and "E.V. Bishoff Company office space" by integrating their own HVAC technicians, City Managers and Office Managers, providing their own bandwidth, online reservation system with dozens of conference rooms, storage rooms, deposition rooms and private CCTV systems. EVBCO has added to the bevy of services they offer to set them apart from other office building owners and this recent bike rack installation represents EVBCO's dedication to the city and community as a whole. EVBCO consistently delivers the most innovative and consistent office environments to their customers.
