

Businesses with Offices in Cleveland's Superior Building and City Club Building Can Now Get Discounted Parking Passes

E.V. Bishoff Company, portfolio operator, now offers discounted parking passes at just \$50/month as part of their standard leasing package for businesses leasing offices in Cleveland's City Club and Superior Buildings.

Cleveland, OH ([PRWEB](#)) October 31, 2013 -- In conjunction with E.V. Bishoff Company's purchase of the 600 car parking garage located across from Erie View Plaza, they are now enhancing their office leasing package by offering discounted parking passes to businesses that locate their offices in the Cleveland's Superior and City Club Buildings.

Three parking spaces, costing only \$50.00 per month, will be offered for every \$1,000 per month in rent that the client pays.

"Think about it, if your company rents an office from EVBCO and the monthly rent is \$3,000.00, you have access to nine parking spaces at \$50.00 each," said David Bishoff, President of E.V. Bishoff Company. "If your company is paying for employee parking, this greatly lessens the burden on the company and makes parking a non-issue. If the employee is paying for their own parking, this offer makes the employee smile, which makes the Company smile. I can guarantee you that your company's HR department will love this program as it makes their job that much easier."

Both in prime Cleveland locations, the City Club Building is in the bustling Euclid Avenue's Entertainment District, midway between the Theater District and Public Square; and the Superior Building is located in the heart of the city's Financial District, on the corner of Superior Avenue and Ninth Street. "This is a game changer in downtown Cleveland," said David Bishoff.

This Parking Program is just one service offered in conjunction with EVBCO's bevy of unparalleled office leasing services including, but not limited to:

- [Electronic reservation system](#) for 28 conference rooms that are in Cleveland, Columbus and Pittsburgh
- CCTV network
- [Support services](#)
